

Safe Sedation Course

Are you a healthcare professional looking for:

- Protocol based teaching to administer sedation
- Learning how to prepare a patient, administer sedation, monitor and manage complications
- Ensuring sedation compliance for your department, including sedation policy, audit tool and logbook
- Accredited CPD training to practice sedation

The Safe Sedation Course is a comprehensive training and compliance solution! It is aimed at nurses, doctors and other professionals involved in procedural sedation.

"100% comfortable to apply it on Monday"

John
